Introduction

The content of this ebook is a selection of scales and arpeggios patterns created with **Fachords Guitar Scale Finder**.

Fachords Guitar Finder is a free online software application that shows you the scales and arpeggios patterns on the guitar fretboard.

With Fachords Guitar Scale Generator you can:

- select the root key of the scales you want to learn and visualize them on the fretboard.
- set freely patterns position and extension and modify their shape (four frets boxes, 3 notes per string, 4 notes per string, extended fingerings)
- listen to the sound of the scales with the audio playback feature.

All the presented scales and arpeggios are in C key, but you can move them along the fretboard to play in other keys, or use Fachords Guitar Finder to generate new patterns for every key and fretboard position..

A few words about Fachords Free Guitar Software.....	30
Let's get in touch!	32

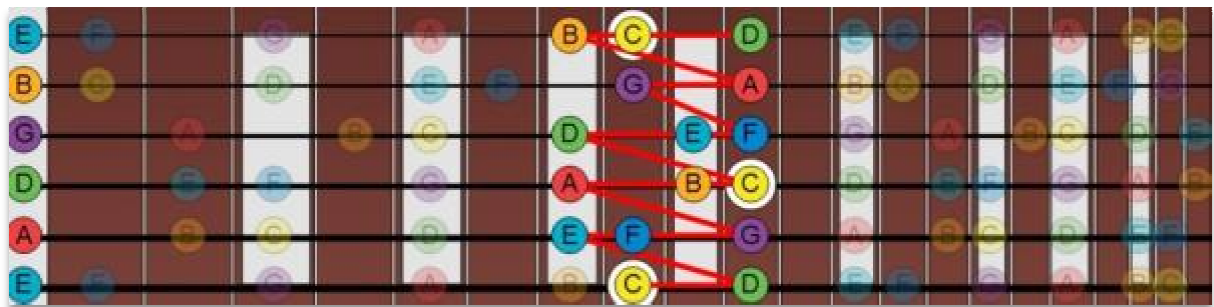

MAJOR SCALE

The orientation of the fretboard is with the low E at the bottom and the high E at the top. The root note of the scale/arpeggio is the one wrapped in the white circle.

Remember to practice with a metronome.

Enjoy and have a good guitar playing!
